No. 519

26 February 1981

Excellency,

I have the honour to refer to my note No. 1376 of 2 June 1978, with which I transmitted to you the unofficial translation in English of the text of the law containing the extension of the territorial sea of Suriname and the establishment of a contiguous economic zone which came into effect from 11 June 1978.

In that note I requested that said unofficial translation be circulated to all Member States of the United Nations. This was done by Your Excellency's note LE 113(3-3) of 20 June 1978 to the Member States of the United Nations which enclosed the text of the above mentioned law.

I now have the honour to inform Your Excellency that by virtue of Decree C-14 of 31 December 1980, containing provisions regulating the fishery in the territorial sea and the contiguous economic zone, which together are indicated by that decree as "fishery-zone", as of January 1, 1981, strict surveillance of the fishery-zone is being carried out by the competent authorities to prevent unauthorized fishing.

I have the honour to request that a copy of this Note Verbale be circulated to the States Members of the United Nations.

Please accept, Excellency, the assurances of my highest consideration.

Henricus A.F. Heidweiller
Permanent Representative of
Suriname to the United Nations

His Excellency Dr. Kurt Waldheim
Secretary-General of the United Nations
